

**SETTLEMENT ISSUES**

This form allows us to “highlight” the issues with which we will need to deal. Every issue that needs to be addressed in your case can be categorized in one of the following categories. This form serves as an “index” to your divorce case. Within each category of this form we can develop, organize and verify the evidence necessary to achieve the results you seek. If the issue is one that can be settled, that point is noted here as well. This is the starting point for your case.
